Where Neptune in Aquarius transits in your chart, clear self-deceptions and aspire to new intuitive perceptions. Be free to choose your reality and envision unlimited choices for yourself. Collectively, Neptune, Lord of the Waters meets the Aquarian Water-bearer calling us to stay fluid through evolutionary changes that we have no control over. Set an intention to have illusions and delusions dissolve. By taking an objective view-point to help you evolve into a higher level of spirit, you can aspire to a heart filled with compassion and tolerance.

♃ ♄ The Transformer in Sagittarius

♃ Transit in 2006

24° ♄ 05' - 26° ♄ 59'

♃ A process to emotionally explore your survival fears moving you into your own power and truth.

Pluto initiates your own personal transformational growth. Transformation happens when surrendering unproductive beliefs and replacing them with truthful beliefs that align you more with who you are. Submerged under-water feelings surface to help you face truths about yourself. What emerges is often what we like to keep in the shadows. Often seen are control issues, dominating power struggles and ego clashes. Opportunities abound to integrate your shadow side with your light. Set an intention to empower yourself. Collectively, we surrender beliefs to emerge into a new belief system of universal laws and truth.
