

Amazing Astrological Events

The following excerpted notes are taken from a class taught on 5/23/09

One of the significant potent transits this year has been the Saturn transit in opposition to Uranus. Saturn represents the tried and true, conservative traditional energy. Uranus, the Awakener, represents the radical maverick with progressive ideas. We witnessed last year in 2008, mirror images of these energies reflected in the Presidential ticket choices between Barack Obama/Joe Biden and John McCain/Sarah Palin.
